Transaction subject	Making amendments to Compression Contract between OAO GAZPROM and ZAO GAZTRANSIT of April 20, 2000, (hereinafter the Contract) as concerns definition of terms, service price, payment and settlement procedures, service period, and liability of the parties.	
Transaction price	The annual service price is Thirteen Million One Hundred Twenty Eight Thousand Five Hundred US dollars (US\$ 13,128,500.00). The annual service price may be revised upon agreement between the parties. The parties established the transitional period from December 01, 2016, to December 31, 2017, (inclusive) in which the service price is determined for each service month.	
Other material conditions or their determination procedure	Settlements for the services from December 1, 2016, to March 31, 2017, inclusive, may be effectuated both in U.S. dollars and, partially, in U.S dollars and UAH. The partial (max. 55% of the monthly service price) settlement in UAH is effectuated by the parties provided that two commercial certificates are signed. To recalculate the monthly service price portion from USD into UAH, the official exchange rate quoted by the National Bank of Ukraine as of the commercial certificate date is used. AO GAZTRANSIT is entitled to offset mutual homogeneous claims with respect to the monthly service price portion, settlements of which are effectuated in UAH, if PJSC GAZPROM mutual claims against AO GAZTRANSIT are also denominated in UAH. The mutual homogeneous claims are offset by the parties based on the commercial certificate and the appropriate written application from AO GAZTRANSIT. If mutual homogenous claims are offset, the parties sign the protocol of agreement of the monetary obligation to be offset	

	and the certificate of offsetting mutual homogenous claims.

Transaction No. 201

Parties	PJSC GAZPROM GAZPROM GERMANIA GMBH
Beneficiaries	–
Transaction subject	GAZPROM GERMANIA GMBH lends PJSC GAZPROM the total maximum amount of Four Hundred Thirty Million Euros (EUR 430,000,000.00) (hereinafter the Principal, the Loan), and PJSC GAZPROM undertakes to repay the provided Principal in full and to pay interest for the Loan use (hereinafter the Interest) in the amount, the manner and time stipulated in the Contract.
Transaction price	EUR 430 million, at 1/3/6M EURORIBOR + 1.07% margin
Other material conditions or their determination procedure	<p>PJSC GAZPROM uses the funds disbursed by GAZPROM GERMANIA GMBH for general corporate goals.</p> <p>The interest rate under the loan contract is determined as the EUR basic rate, EURIBOR, applied to the respective loan disbursement periods, plus the fixed margin (bonus) of 1.07%. The fixed margin (bonus) is effective throughout the Repayment Period.</p> <p>The amount of applicable EUR basic rate, EURIBOR, is calculated proceeding from the anticipated repayment date for the Installment indicated in the Application, is fixed by GAZPROM GERMANIA GMBH for each particular Installment one business day prior to the disbursement date according to the Application and is communicated to PJSC GAZPROM by sending the appropriate notice.</p> <p>If the funds of each particular Installment are repaid other than on the date specified in the Application, then EURIBOR basic rate is recalculated proceeding from the actual disbursement period of each particular Installment. The Interest amount after recalculation of applicable EUR basic rate, EURIBOR, is communicated to PJSC GAZPROM by sending a notice of the interest amount, based on the actual disbursement period.</p> <p>The rates applicable to some particular disbursement periods, namely: 1 month, 3 months, 6 months, 9 months and 12 months, are used as the basis for determination of EUR basic rate,</p>

	<p>EURIBOR. If EURIBOR is negative, it is deemed to be zero. A loan installment may be provided at any time before December 31, 2018, inclusive. PJSC GAZPROM undertakes to repay all funds disbursed under the contract on or before December 31, 2018, by cash remittance to GAZPROM GERMANIA GMBH account. PJSC GAZPROM has the right to prepay the disbursed Installment, either partially or in full, before maturity by cash remittance to GAZPROM GERMANIA GMBH account specified in the contract. If the Installment is repaid, on the initiative of either Party, other than on the anticipated dates specified in the Application, the Parties agree that such repayment means the need for the interest rate recalculation based on the actual disbursement period of this Installment. If this contract is unduly performed, the Parties are liable according to Russian law. For violation of the Loan Maturity indicated in the contract and/or the Interest Payment Deadline specified in the contract, GAZPROM GERMANIA GMBH is entitled to require that PJSC GAZPROM pays 0.01% forfeit on the outstanding Principal for each calendar day of the delay. PJSC GAZPROM undertakes to pay the accrued forfeit within Five (5) Business Days from GAZPROM GERMANIA GMBH presenting its written forfeit payment claim. The forfeit payment does not relieve PJSC GAZPROM from its obligations to repay the disbursed Principal and to pay Interest. Russian law applies to the contract and relations between the parties arising out of the contract.</p>
